Priority Waitlist Guide

What happens if Las Terrenas fills or a space opens later.

*People before places. Stories before souvenirs.
Perspective before performance.*

itravelforculture.com

The Journey May Be Full. The Opportunity Is Not.

Las Terrenas is intentionally limited to 12 travelers. When the journey fills, the Priority Waitlist keeps interested travelers connected if a cancellation creates an opening.

How the Waitlist Works

1. Join the Priority Waitlist through the website.
2. Tell us which journey and timing interest you.
3. If a traveler cancels, waitlist members are contacted before the space is opened publicly.
4. If timing works, you may be invited to complete or update your application.
5. You will also receive early notice of future departures.

What Waitlist Members Receive

- First opportunity when cancellation openings occur
- Early notice of future journeys
- Destination and documentary updates
- Travel planning resources
- No obligation to book

Important Expectations

Joining the Priority Waitlist does not guarantee a space. Openings depend on cancellations, rooming, timing, group needs, and completion of the application process.
